

Minutes of the Strategic Planning Committee on August 30, 2021

The meeting was held in the Library at 10 am. Jennie Cottrill, Patricia Bonk, and Jackie Murawski were in attendance.

We began by reviewing the proposed draft survey questions and by offering our suggestions. Jennie is scheduling a second meeting with the task force members to come up with a finished product. It was decided that participants could enter a drawing for thank you prizes.

Many of the points reviewed were completed or in progress. Some items are impacted by covid and will move ahead as soon as possible. Projects that are impacted by construction, i.e. technology (item 5) will take effect when feasible.

Contacts with other community organizations are in progress. Groups that haven't been contacted will happen this fall. Pat will connect with the Keep Midlothian Beautiful Committee; Jackie will contact Bremen Township and the Scouts; Jennie will work with the Community Service Committee and Community Policing.

The meeting was adjourned at 11:05 am.
